New Hampshire AIDS Drug Assistance Program (ADAP) Pharmacy Program New Medicare Part B Requirement

Dear Provider:

A new primary TPL Payer ID code is now required to process claims for New Hampshire ADAP as secondary for **Medicare Part B**. If you are receiving a NCPDP-41 denial to submit bill to other processor payer, please continue to your additional COB field where the other payer ID required will be listed.

The newly required Third Party Liability Other Payer ID codes (NCPDP Field # 340-7C) must be submitted using 10 bytes for Medicare Part B.

Other Payer ID	Description
0000000088	Other Payer ID for Medicare Part B

The other two payer ID codes are still active and required for NH ADAP claims.

Other Payer ID	Description
0000008888	Other Payer ID for Medicare Part D
0000000099	Any other coverage

Please contact our support center for additional information or questions:
